

# Fort Hand Festival 2011

***Held at Kunkle Park in Washington Township  
September 23, 24 & 25, 2011***

It's time again for the 7th Annual Fort Hand Festival! The Fort Hand Festival is the largest community event held in Washington Township. Last year our festival had 1,000's of attendees from all over the Alle-Kiski region with over 75 food, craft and demonstration booths.

Our main objective is to provide a family and kid friendly atmosphere while raising funds to provide a better community park, with all the amenities. We would also like to promote the rich history that Fort Hand played in Westmoreland county. To do this we need your help! Please take this opportunity to be a sponsor for the Fort Hand Festival by helping to defray the cost of the festival and the entertainment we provide. Your donation, in addition to helping fund the festival, is also an opportunity to promote your business. For a donation of \$500 or more your company name will be displayed on a banner at the festival. Donations of \$100 up to \$500 will be given road signs lining the entrance to the park. We would provide signage and advertisement at the park and other locations to recognize your business or organization.

There are various sponsorship levels, including memorial/honorarium items that can be purchased with a dedicated donation. The demand for more amenities at the park, like pavilions and a walking trail, has increased over the years and we want to meet that need. So please consider our sponsor request, as your support will benefit our festival, our community, our businesses and the StrongLand region. We wish to express our sincere thanks to all who make Washington Township a great place to live!

The festival committee meets the last Monday of each month. Please feel free to attend and help make this the best festival ever! Please fill out the attached form for your much appreciated donation.
